

Paul Reibin

1932 - 2022

Paul was a stalwart of the Canadian fullbore shooting community, and his influence was great. He was a true ambassador for our sport on the local, national and international stages. Paul started out as a target rifle shooter and served as commandant of the Canadian Bisley Team. Later, Paul collaborated with his good friend, George Farquharson, to develop F-Class. He served as Head Coach for the Canadian F-Class Team and was a regular competitor in the Canadian Fullbore Rifle Championships.

Paul proudly represented the BCRA and DCRA as a Life Member and Life Governor in both organizations.

Following a career with Canadian Border Services Agency, Paul worked tirelessly for decades as a supplier of shooting equipment and reloading components. Ranges Sports Unlimited, with its unique logo, was a trusted supporter of shooting in Canada.

Paul was a fierce competitor, an innovator, a loyal friend, a true gentleman and family man. We will miss his unique jubilant cry, "Veeeeee Bull !!".
